A new Teacher appointed!

We give thanks to the Lord that we have appointed a new teacher, Mrs Bronwyn Gers, as we prepare for the next academic term.

Hello, I am Mrs Gers!

I qualified as a Primary School teacher in South Africa in 1998. I began my teaching career at Cowan House Preparatory School, where I worked for several years, and then took some time off to be with my daughters when they were young. I then gained some experience in the preschool environment and later returned to full time Primary teaching.

I moved to Scotland five years ago with my husband, Craig, and three children, Emily (17), Annabeth (15) and Thomas (5). For our first 4 years here, I home educated my daughters.

In my free time, I enjoy reading, baking, exploring nature and spending time with my family.

We are looking forward to a new school year!

We are very excited to be preparing for the new school year and are continuing to develop a Bible-centred curriculum that will challenge and engage our pupils across all subjects.

A few highlights for the upcoming term include starting our Social Studies journey with 'The Mystery of History' and investigating 'Light and Dark in God's Colourful World' in Science lessons. Our P1-4's will learn about Aesop's fables in Literacy lessons and our older pupils will be exploring CS Lewis's 'The Lion, the Witch and the Wardrobe'.

We look forward to beginning our interviews with prospective pupils and parents next week. We are excited at the prospect of welcoming new pupils in August and seeing our school grow.

Prayer:

We are really grateful for anyone who keeps our school in prayer. As a new Christian school we depend on the Lord's providence and wisdom.

At this time we would appreciate prayer for our new teacher Mrs Gers as she continues to prepare a Bible-based curriculum. We also appreciate wisdom for prospective parents and our staff as we conduct admission interviews and prepare for a new school year.
