## A BLESSED START TO A NEW SCHOOL YEAR

We were thrilled to have started school on the 22nd of August with a full classroom of eager and happy pupils. The children spent the first week settling

into their new school and becoming familiar with our classroom routines. It has been lovely to see some new friendships blossoming and to witness the enjoyment the children experience in one another's company.

We ended the week with a service of thanksgiving for the new school year, led by Reverend McGlynn. We praise the Lord for our school and look forward to seeing His plans unfold.

Some impressions of what we've been up to so far...

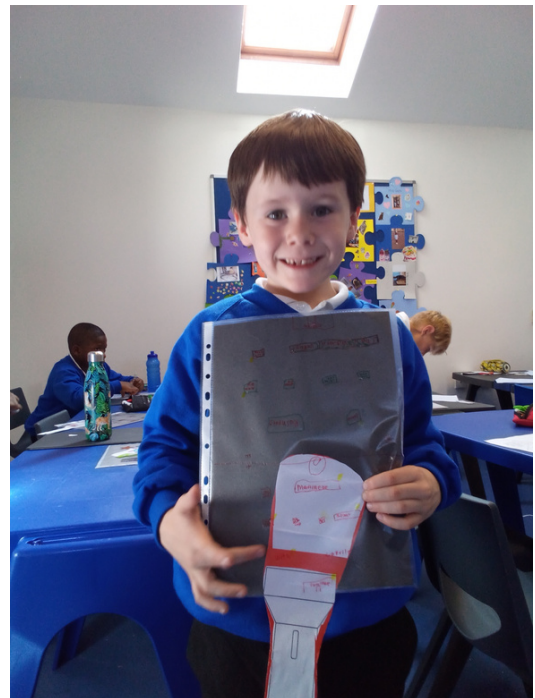

The kids have been getting to know each other over the last few weeks.

The P1s and P2s were building houses for their little mice when hearing about the town mouse and the country mouse.

When learning about light and darkness the children made torches to show how rays of light help illuminate the darkness.

When discussing Noah and the flood, the children learned about fossils. They made their own out of play-dough and plaster.

Our P5s have been reading “The Lion, the Witch and the Wardrobe” and got to make some Turkish Delight. Everyone got to try it and opinions were very mixed!

A week later our little P1s and P2s made cupcakes to learn about measuring. This treat was enjoyed by everyone!

## How you can support us:

### Prayer:

- Thanksgiving for a full class of students with supportive parents and a good start to the new school year.
- Some of the families only recently relocated to Aberdeen. Pray for them to settle well.
- Pray for God's continued hand over this ministry as the school is running and planning ahead.

### Financial Support:

Our school depends greatly on donations so we can keep tuition fees as low as possible.

If you want to support us financially you can do so via bank transfer to the following account, please contact our office for further information or with questions.
